Attention: Joseph Laydon, Town Planner
Subject: Submission of Revised Site Plans
Reference: 103 Worcester Street - Theroux Dental Complex

Dear Joseph:

Please find enclosed two copies of our revised site plans for Theroux dated June 13, 2016. We have revised them as follows:

We have revised contours 322 and 330 near the northeast corner of the building.

We have relocated the light poles as requested and added a note that the poles will be 12 feet high.

We have added some plants in the two planting areas.

We have moved the trees back beyond the proposed snow storage area.

We have added a note to the landscape plan referring the contractor to the architect prepared sign plan.

We have added some pine and shade trees and corrected the tree count.

We have moved the entrance only sign to the entrance only.

We have added a no exit and a do not enter sign as requested.

Please contact me if you have any questions or require any additional information.

Sincerely,
Land Planning Incorporated.

Norman G. Hill, P.E., P.L.S.
